

## DEPARTMENT ACHIEVEMENTS

1. Conducted CDE, lecture cum hands on topic “Maxillary Sinus Grafting : simplified” by Dr. TusharChawla(MSc Oral implantology, Germany) at IDST, Modinagar, 2018.
2. Conducted Quest on “Precision and semi- precision attachments” at IDST, Modinagar, 2017.
3. Conducted CDE, lecture cum hands on topic “Implant design and its influence on success” by Dr. TusharChawla(MSc Oral implantology, Germany) at IDST, Modinagar, 2017.
4. Conducted CDE on topic “Management of mutilated teeth” by Dr. HimanshuAreean, (Director and Principal Seema dental college, Rishikesh) at IDST, Modinagar, 2016.
5. Conducted CDE on topic “Impressions in Complete Dentures” by Dr. N. K. Agarwal (ex-HOD and Principal KGMC Lucknow) at IDST, Modinagar, 2013.
6. Conducted CDE on topic “Diastema closure and veneering” at IDST, Modinagar, 2011.
7. Conducted QUEST on topic “Tooth and Implant supported overdentures” at IDST, Modinagar, 2011.
8. Conducted CDE on topic “Dowel and Core: Let’s Build it up” by Dr. TejasviSaigal (Professor) at IDST, Modinagar, 2011.

## DEPARTMENT RESEARCH WORK

2019 – 2022

1. **Abin Mathew Abraham** - Comparative evaluation of hard and soft tissue changes around dental implants placed with osseodensification in contrast with conventional osteotomy technique: an in vivo study.
2. **Areeba Zainab** - Comparative evaluation of marginal fit of lithium disilicate and zirconia copings fabricated by cad/cam- an in vitro study.
3. **Awani Gupta** - a comparative evaluation of early and delayed loading of dental implants undergoing single stage surgery: an in-vivo study.
4. **Pankhuri Akhil** - comparative evaluation of fracture resistance of custom cast post and core, pre-fabricated post and core and cad-cam fabricated post and core- an in vitro study.
5. **Shabana Azmin** - comparative evaluation of different zirconia cad/cam milled three unit fixed partial denture with two variable connector designs- an in- vitro study.

## 2018 – 2021

1. **Dr. NabidAnjum**– Comparative evaluation of fracture strength, surface hardness and colour stability between pre formed and customizable direct veneers:An in vitro study.
2. **Dr. JasminaTabeenBhat** – To evaluate and compare the effect of micro- threaded and smooth crest module design of immediately loaded implants on the marginal bone loss and peri implant soft tissue – an in vivo study.
3. **Dr. Manela Shill** – Comparative clinical and quantitative evaluation of the effect of five different non- invasive gingival retraction systems: An in- vivo study.
4. **Dr. Sonu Kumar** – Comparative evaluation of hard and soft tissue around immediately loaded short and long implant: An in vivo study.
5. **Dr.JasveenKaur**– A comparative evaluation of locator attachment retained overdenture over two and three implants in same patient loaded at different intervals: An in vitro study.

## 2017 – 2020

1. **Dr. PreetiSabharwal**– A comparative evaluation of hard and soft tissue changes in cement and screw retained implant restorations using delayed loading protocol:An in vivo study.
2. **Dr. Shikha** – To evaluate and compare the effect of chamfer and radial shoulder margin design on fracture resistance of two different types of ceramic restoration: An in vitro study.
3. **Dr. Akash Raj Sharma**–To evaluate clinical success of fibre reinforced composite fixed partial denture used for replacing one and two adjacent missing anterior teeth: An in vivo study.
4. **Dr. Kaustav De**–A comparative evaluation of ball and magnetic attachments for mandibular implant supported overdentures: An in vivo study.
5. **Dr.Shubha**- To evaluate and compare the fracture resistance of endodontically treated teeth with different post systems (Titanium, Glass fiber and custom made: An in vitro study.

## 2016 – 2019

1. **Dr. HumairaMushtaq**– An in vitro evaluation of retentive strength of two different post systems cemented with three luting agents.
2. **Dr. Vishal Partap Singh** - To evaluate and compare the soft and hard tissuechanges on immediately loaded implants with two different temporary abutments: An in vivo study.
3. **Dr. Zoheb Ali** – To evaluate and compare the bond strength of different resin cements used for cementation of porcelain laminate veneer: An in vitro study.
4. **Dr. Shabeena Mustafa** - Comparative evaluation of the effect ofvent holes at two different places on extrusion and excess cement at crown abutment interface and associated tensile force in cement retained implant restoration: An in vitro study.

5. **Dr. Shivani**- A comparative evaluation implant splinted to natural tooth with non splinted implant in a delayed loading protocol: An in vivo study.

#### 2015 – 2018

1. **Dr. Shambhavi Shukla**- To evaluate the marginal and internal fit of lithium disilicate and laser sintered crown copings by using scanning electron microscope: An in vitro study.
2. **Dr. Rubi Raj** - A comparative evaluation of platform switching with conventionally placed dental implants undergoing delayed loading protocol: An in vivo study.
3. **Dr. Ankita Agarwal** - A comparative analysis of precision and bond strength of different porcelain systems for porcelain laminate veneers: An in vitro study.
4. **Dr. Parul Goutam** - To evaluate the effect of pontic distance on the flexural properties of fibre reinforced composite bridges with two preparation designs and adaptation processes: An in vitro study.
5. **Dr. Deepika Sharma**- A comparative evaluation of two different implant surface topography designs using immediate loading protocol in the anterior maxilla: An in vivo study.

#### 2014 – 2017

1. **Dr. Geeta Arya**-A comparative evaluation of splinted and unsplinted transfer impressions on the dimensional accuracy of multiple implant supported restorations using different impression techniques: An in vitro study.
2. **Dr. Neetu Singh** -A comparative evaluation of two and three implant retained over denture in same patient loaded at different intervals: An in vivo study.
3. **Dr. Shashank Kakkar** -To evaluate the treatment efficacy on immediate loading of implants with various surfaces and implant platform designs: An in vivo study.
4. **Dr. Humaira Tanvir** -To compare and evaluate the tensile bond strength of single and double layer tissue adhesives various retaining different maxillofacial prosthetic materials: An in vivo study.
5. **Dr. Priyanka Poddar** -A comparative evaluation of dimensional accuracy of working casts produced by digital impression and different non aqueous elastomeric impression materials: An in vitro study.

#### 2013 – 2016

1. **Dr. Manish Chaudhary** -A prospective clinical trial of prosthetic complications and chewing efficiency of splinted and unsplinted implant retained mandibular over dentures: An in vivo study.
2. **Dr. Param Dev Singh** -A comparative evaluation of immediate versus delayed loading of two implants with mandibular overdenture: An in vivo study.

3. **Dr. Usman Khan** -To evaluate the flexural strength and surface hardness of polymethyl methacrylate denture base resin reinforced with different percentages of various oxides and fibers : An invitro study

#### **2011 – 2014**

1. **Dr. KirtiDahiya** -To study the effect of artificial saliva, gastric juice, fluoride mouth rinse, lemon juice, and country made wine on the surface roughness of different restorative materials, an invitro study.
2. **Dr. Shammi Singh** -To evaluate the shear bond strength of various ceramic intraoral repair systems: an invivo study.
3. **Dr. ShilpaBaduriya** -A comparative study to assess the accuracy of various methods used to determine the bone width of implant sites.

#### **2010 – 2013**

1. **Dr. BikramDhillon** -To compare immediate and delayed loading of dental implants in one stage surgery.
2. **Dr. Jaya Verma** -Cephalometric evaluation of change in natural head position and mandibular rest position of edentulous patients after rehabilitation with complete denture prosthesis.
3. **Dr. SheenamAhuja** -Comparative evaluation of different implant designs on stress distribution – a finite element analysis.

#### **2009 – 2012**

1. **Dr. Abhishek Singh** -To evaluate the wear resistance of various commercially available dental porcelain: an invitro study.
2. **Dr. Akanksha Singh** -An invitro analysis of the effect of sterilization by autoclaving on the dimensional stability and accuracy of addition silicon, condensation silicon and polyether impression materials.
3. **Dr. RohanSikka** -Evaluation of retention of mandibular overdenture retained with various implant attachments at different locations.

#### **2008 – 2011**

1. **Dr. NehaPrakash** -The influence of different thickness of porcelain on the shade of the final restoration.
2. **Dr. PallaviSirana** - To evaluate the bond strength of different luting cements to zirconium oxide ceramic crowns – and invivo study.
3. **Dr.Rachita Singh** -An in vitro evaluation of flexural strength and hardness of heat cure resin reinforced with zirconium dioxide , titanium dioxide and silica.

## POST GRADUATE PRESENTATIONS

### 2019

1. **Dr. Jasmina Tabeen Bhat** – Table Clinic presentation on topic “Incapacitation no more- Lifeless to lifelike” at 21<sup>th</sup> Indian Prosthodontic Society National post-graduate student convention.
2. **Dr. Sonu kumar-** Table Clinic presentation on topic “Incapacitation no more- Lifeless to lifelike” at 21<sup>th</sup> Indian Prosthodontic Society National post-graduate student convention.
3. **Dr. Manela Shill-** Table Clinic presentation on topic “Incapacitation no more- Lifeless to lifelike” at 21<sup>th</sup> Indian Prosthodontic Society National post-graduate student convention.
4. **Dr. Jasveen kaur-** Table Clinic presentation on topic “Incapacitation no more- Lifeless to lifelike” at 21<sup>th</sup> Indian Prosthodontic Society National post-graduate student convention.
5. **Dr. Sonu kumar-** Paper presentation on Clinical Management for special ones: - Challenges in treating Scleroderma patients suffering from microstomia at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
6. **Dr. Manela Shill-** Paper presentation on Clinical Management for special ones:- Challenges in treating Scleroderma patients suffering from microstomia at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
7. **Dr. Abin Mathew Abraham.** - Poster Presentation on Comparison of fracture strength between preformed and direct veneer: A pilot study at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
8. **Dr. Areeba zainab.** - Poster Presentation on Hybrid denture: A saga of metal and acrylic at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
9. **Dr. Awani gupta.** - Poster Presentation on Comparison of fracture strength between preformed and direct veneer: A pilot study at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
10. **Dr. Pankhuri akhil.** -Poster Presentation on Hybrid denture: A saga of metal and acrylic at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
11. **Dr. Sahbana azmin.** - Poster Presentation on Hybrid denture: A saga of metal and acrylic at 47<sup>th</sup> Indian Prosthodontic Society National Conference.
12. **Dr. Preeti Sabharwal.**-Paper presentation on “ Savior of Misfit”: Customized abutments. At 47<sup>th</sup> Indian Prosthodontic Society National Conference.

### 2018

1. **Dr. Shivani** Presented a **table Clinic** on topic “ Achieving precision towards a bionic eye” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
2. **Dr. Shabeena Mustaf** presented a **table clinic** on the topic “ Disturbance in sleep - No more now” in 20<sup>th</sup> IPS PG Convention , Chennai ( 6-8<sup>th</sup> July, 2018).
3. **Dr. Zoheb Ali** presented a **table clinic** on the topic Disturbance in sleep- no more now” in 20<sup>th</sup> IPS PG Convention , Chennai ( 6-8<sup>th</sup> July, 2018).

4. **Dr. VishalPartap Singh** presented a **table clinic** on the topic “Disturbance in sleep- no more now” in 20<sup>th</sup> PG Convention , Chennai ( 6-8<sup>th</sup> July, 2018).
5. **Dr. HumairaMushtaq** presented a **table clinic** on the topic “Disturbance in sleep- no more now” in 20<sup>th</sup> PG Convention , Chennai ( 6-8<sup>th</sup> July, 2018).
6. **Dr. Akash Raj Sharma** presented a **poster** on the topic “ Hybrid prosthesis – from sorrowness to gladness in 20<sup>th</sup> PG convention, Chennai (6<sup>th</sup> to 8<sup>th</sup> July 2018)
7. **Dr. Akash Raj Sharma** presented a **table clinic** on the topic “Achieving precision towards a bionic eye” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
8. **Dr. Kaustav De** presented a **paper** on the topic “CAD/CAM Complete dentures” 20<sup>th</sup> PG convention, Chennai (6<sup>th</sup> to 8<sup>th</sup> July 2018)
9. **Dr. Kaustav De** presented a **table clinic** on the topic “Achieving precision towards a bionic eye” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
10. **Dr. Shubha** presented a **paper** on the topic “CAD/CAM Complete dentures” 20<sup>th</sup> PG convention, Chennai (6<sup>th</sup> to 8<sup>th</sup> July 2018)
11. **Dr. Shubha** presented a **table clinic** on the topic “Achieving precision towards a bionic eye” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
12. **Dr. Preeti Sabharwal** presented a **table clinic** on the topic “Achieving precision towards a bionic eye” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
13. **Dr. Sonu Kumar** presented a **poster** on the topic “Robotics in Prosthodontics” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
14. **Dr. Manela Shill** presented a **poster** on the topic “Robotics in Prosthodontics” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
15. **Dr. Jasveen Kaur** presented a **poster** on the topic “Robotics in Prosthodontics” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
16. **Dr. Jasmina Tabeen Bhat** presented a **poster** on the topic “Socket shielding – Leave the root behind” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).
17. **Dr. Nabid Anjum** presented a **poster** on the topic “Socket shielding – Leave the root behind” in 46<sup>th</sup> IPS Conference, Mangalore. (15<sup>th</sup> to 18<sup>th</sup> November 2018).

### **2017**

1. **Dr. Shivan** presented a **poster** on topic “Prevention is better than cure: Vent in implant supported crowns” at 19<sup>th</sup> IPS PG convention (16- 18<sup>th</sup> June 2017) ,Rishikesh.
2. **Dr. Shivan** presented a **paper** on the topic “Material and procedures for occlusal evaluation” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup>– 10<sup>th</sup> December 2017).
3. **Dr. Shabeena Mustafa** presented a **poster** on topic “Prevention is better than cure : Vent in implant supported crowns” in 19<sup>th</sup> PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
4. **Dr. Shabeena Mustafa** presented a **paper** on the topic “Prosthodontic management of Patients with Obstructive sleep Apnea” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> -10<sup>th</sup> December 2017).

5. **Dr. Zoheb Ali** presented a **poster** on the topic “Effect of dental materials on MRI Image Distortion” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> -10<sup>th</sup> December 2017).
6. **Dr. Zoheb Ali** presented a **paper** on the topic “Laminates and Veneers” in 19<sup>th</sup> IPS PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
7. **Dr. Vishal Partap Singh** presented a **poster** on the topic “Renovating esthetics – Temporizing the implants” in 19<sup>th</sup> IPS PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
8. **Dr. Vishal Partap Singh** presented a **paper** on the topic “PEEK as a dental material” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> – 10<sup>th</sup> December 2017).
9. **Dr. Humaira Mushtaq** presented a **poster** a poster on the topic “Renovating esthetics – Temporizing the implants” in 19<sup>th</sup> IPS PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
10. **Dr. Humaira Mushtaq** presented a **paper** on topic “Prosthodontic Management of Obstructive sleep Apnoea” in International Conference on Prosthodontics, Aligarh ( 9<sup>th</sup> – 10<sup>th</sup> December 2017).
11. **Dr. Akash Raj Sharma** presented a **poster** on the topic “Laminates and Veneers” in 19<sup>th</sup> IPS PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
12. **Dr. Akash Raj Sharma** presented a **paper** on the topic topic “Material and procedures for occlusion evaluation” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup>- 10<sup>th</sup> December 2017).
13. **Dr. Kaustav De** presented a **poster** on the topic “Laminates and Veneers” in 19<sup>th</sup> IPS PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
14. **Dr. Kaustav De** presented a **poster** on the topic “Effect of dental materials on MRI Image Distortion in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> -10<sup>th</sup> December 2017).
15. **Dr. Shubha** presented a **poster** on the topic “Characterisation of complete dentures” in 19<sup>th</sup> PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
16. **Dr. Shubha** presented a **poster** on the topic “Effect of dental crowns and dentures on MRI Image Distortion in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> – 10<sup>th</sup> December 2017).
17. **Dr. Preeti Sabharwal** presented a **poster** on the topic “Characterisation of complete dentures” at 19<sup>th</sup> PG convention, Rishikesh (16- 18<sup>th</sup> June 2017).
18. **Dr. Preeti Sabharwal** presented a **poster** on topic “ FRC: Design considerations ” in 1<sup>st</sup> UP state Prosthodontic workshop, Lucknow (Nov 2017)
19. **Dr. Shikha** presented a **paper** on the topic “Peek as dental material” in International Conference on Prosthodontics, Aligarh (9<sup>th</sup> December 2017).

## 2016

1. **Dr. Humaira Tanvir** presented a **table clinic** on topic “bull’s eye or good bye”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
2. **Dr. Geeta Arya** presented a **poster** on topic “pursuit of happiness” – the hybrid way. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
3. **Dr. Shashank Kakkar** presented a **poster** on topic “pursuit of happiness” – the hybrid way. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
4. **Dr. Priyanka Poddar** presented a **poster** on topic “pursuit of happiness” – the hybrid way. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
5. **Dr. Neetu Singh** presented a **table clinic** on topic “bull’s eye or good bye”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
6. **Dr. Deepika Sharma** presented a **table clinic** on topic “bull’s eye or good bye”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
7. **Dr. Ankita Agarwal** presented a table clinic on topic “bull’s eye or good bye”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
8. **Dr. Shambhavi Shukla** presented a **paper** on topic “innovative intent to 3-D esthetic: Laser sintered vs lithium disilicate”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
9. **Dr. Rubi Raj** presented a **paper** on topic “innovative intent to 3-D esthetic: Laser sintered vs lithium disilicate”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.
10. **Dr. Parul Gautam** presented a **paper** on topic “To evaluate the effect of pontic distance on the flexural properties of fibre reinforced composite bridges with two preparation designs and adaptation processes: An in vitro study”. At 18<sup>th</sup> IPS PG Convention (24-26 June 2016), Bangalore.

## 2015

1. **Dr. Shambhavi Shukla** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
2. **Dr. Rubi Raj** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
3. **Dr. Ankita Agarwal** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
4. **Dr. Deepika Sharma** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
5. **Dr. Shambhavi Shukla** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
6. **Dr. Rubi Raj** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
7. **Dr. Ankita Agarwal** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.

8. **Dr. Deepika Sharma** presented a **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> IPS conference (3-6 Dec 2015), Hyderabad.
9. **Dr. Humaira Tanvir** presented **poster** on topic “Veneers contact lens of teeth” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
10. **Dr. Humaira Tanvir** presented **paper** on topic “A comparative evaluation of three and two implant supported overdenture in same patients” at 43<sup>rd</sup> Indian Prosthodontic Society conference, (3 – 6 December, 2015), Hyderabad.
11. **Dr. Priyanka Poddar** presented **table clinic** on topic “TMJ Splints-Oromandibular cruches” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
12. **Dr. Priyanka Poddar** presented **paper** on topic “A Comparative Evaluation of Splinted and Unsplinted Transfer Impressions on the Dimensional Accuracy for Multiple Implant Supported Restorations using different Impression Techniques - An in Vitro Study” at 43<sup>rd</sup> Indian Prosthodontic Society conference, (3 – 6 December, 2015), Hyderabad.
13. **Dr. Neetu Singh** presented **poster** on topic “Veneers contact lens of teeth” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
14. **Dr. Neetu Singh** presented **paper** on topic “A comparative evaluation of three and two implant supported overdenture in same patients” at 43<sup>rd</sup> Indian Prosthodontic Society conference, (3 – 6 December, 2015), Hyderabad.
15. **Dr. Shashank Kakkar** presented **paper** on topic “Prosthetic rehabilitation of patients with MICROSTOMIA” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
16. **Dr. Shashank Kakkar** presented **poster** on topic “Role of dentistry in film dentistry” at 43<sup>rd</sup> Indian Prosthodontic Society conference, (3 – 6 December, 2015), Hyderabad.
17. **Dr. Geeta Arya** presented **table clinic** on topic “TMJ Splints-Oromandibular cruches” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
18. **Dr. Geeta Arya** presented **paper** on topic “A Comparative Evaluation of Splinted and Unsplinted Transfer Impressions on the Dimensional Accuracy for Multiple Implant Supported Restorations using different Impression Techniques - An in Vitro Study” at 43<sup>rd</sup> Indian Prosthodontic Society conference, (3 – 6 December, 2015), Hyderabad.
19. **Dr. Manish Kumar** presented **paper** on topic “Prosthetic rehabilitation of patients with MICROSTOMIA” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
20. **Dr. Usman** presented **paper** on topic “Giving life to implant prosthesis: Gingival mask.” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.
21. **Dr. Param Dev Singh** presented **paper** on topic “Giving life to implant prosthesis: Gingival mask.” at 17<sup>th</sup> Indian prosthodontics society, PG convention, (10 – 12 July, 2015), Nagpur.

## 2014

1. **Dr. Humaira Tanvir** presented poster on topic “Denture base materials” at FDI Conference (11-14 Sep, 2014), Greater Noida.
2. **Dr. Priyanka Poddar** presented poster on topic “Implants failure and complication” at FDI Conference (11-14 Sep, 2014), Greater Noida.
3. **Dr. Neetu Singh** presented poster on topic “Why they should be left untreated?- cleft” at FDI Conference (11-14 Sep, 2014), Greater Noida.
4. **Dr. Shashank Kakkar** presented poster on topic “overdenture attachments” at FDI Conference (11-14 Sep, 2014), Greater Noida.
5. **Dr. Geeta Arya** presented poster on topic “bar supported overdenture” at FDI Conference (11-14 Sep, 2014), Greater Noida.
6. **Dr. Manish Kumar** presented paper on topic “Mini implants” at 7<sup>TH</sup> International Congress of Oral Implantology (10-12 Jan, 2014), New Delhi.
7. **Dr. Manish Kumar** presented poster on topic “boundless botox” at International Conference of Dental Specialities (9-10 May, 2014), ITS Dental College, Muradnagar.
8. **Dr. Manish Kumar** presented poster on topic “Dental stem cells: the eventual future” at 16<sup>th</sup> IPS PG Students Convention (5-7 June, 2014), Gitam Dental College, Visakhapatnam, A.P.
9. **Dr. Manish Kumar** presented poster at FDI Conference (11-14 Sep, 2014), Greater Noida.
10. **Dr. Manish Kumar** presented table clinic on topic “Surgical guides and splints in implant” at 42<sup>nd</sup> IPS, Conference (6-9 Nov, 2014), Park Plaza, Zirakpur, Chandigarh.
11. **Dr. Usman** presented paper on topic “Importance of gingival mask for achieving proper emergence profile for implant supported fixed prosthesis: a case report.” at 7<sup>TH</sup> International Congress of Oral Implantology (10-12 Jan, 2014), New Delhi.
12. **Dr. Usman** presented poster on topic “boundless botox” at International Conference of Dental Specialities (9-10 May, 2014), ITS Dental College, Muradnagar.
13. **Dr. Usman** presented poster on topic “Dental stem cells: the eventual future” at 16<sup>th</sup> IPS PG Students Convention (5-7 June, 2014), Gitam Dental College, Visakhapatnam, A.P.
14. **Dr. Usman** presented poster on topic “Gingival Mask.” at FDI Conference (11-14 Sep, 2014), Greater Noida.
15. **Dr. Usman** presented table clinic on topic “Surgical guides and splints in implant” at 42<sup>nd</sup> IPS, Conference (6-9 Nov, 2014), Park Plaza, Zirakpur, Chandigarh.
16. **Dr. ParamDev Singh** presented paper on topic “Immediate loading of two implant supported mandibular overdenture- standard of care for edentulous patients: a case report.” at 7<sup>th</sup> International Congress of Oral Implantology (10-12 Jan, 2014), New Delhi.
17. **Dr. ParamDev Singh** presented poster on topic “boundless botox” at International Conference of Dental Specialities (9-10 May, 2014), ITS Dental College, Muradnagar.

18. **Dr. ParamDev Singh** presented **poster** on topic “Dental stem cells: the eventual future” at 16<sup>th</sup> IPS PG Students Convention (5-7 June, 2014), Gitam Dental College, Visakhapatnam, A.P.
19. **Dr. ParamDev Singh** presented **poster** on topic “Surgical guides and splints” at FDI Conference (11-14 Sep, 2014), Greater Noida.
20. **Dr. ParamDev Singh** presented **table clinic** on topic “Surgical guides and splints in implant” at 42<sup>nd</sup> IPS, Conference (6-9 Nov, 2014), Park Plaza, Zirakpur, Chandhigarh.
21. **Dr. ShilpaBhadoriaSuphai** presented **paper** on topic “Bone Mapping in Implants” at 7<sup>th</sup> AOI International Conference(2014).

### **2013**

22. **Dr. ShilpaBhadoriaSuphai** presented **paper** on topic “Hand Prosthesis – A Case report” at 15<sup>th</sup> IPS Convention(2013).
23. **Dr. Shammi Singh** presented **poster** on topic “Artifacts produced in MRI scan by dental restorations, magnetic keepers” at 41<sup>st</sup> IPS conference (2013), Ahmedabad.

### **2012**

24. **Dr. KirtiDahiya** presented **paper** on topic “Eye Prosthesis – case reports” at 40<sup>th</sup> IPS Conference (2012), Chennai.
