

## DEPARTMENT ACHIEVEMENTS

1. Department has conducted a CDE and Hands on the topic Dental Diode Lasers – Technology is the Key on 14/2/12 by Dr. Smriti Bharghav and Mr. Mark Chapman.
2. Department of Periodontology has organized a QUEST: Interdisciplinary approach on 31/7/12 by Dr. Vipin Agarwal, Dr. Ashish Kumar and Dr. Tanya
3. A lecture was organized on Connective Tissue Graft for Root Coverage by Dr. Vikram Likhari on 12/12/14.
4. Department of Periodontology participated in Quest for second time on Gingiva recedes esthetics workshop on 29/01/15 by Dr. Manish Khatri, Dr. Sumeet Mahajan and Dr. Varsha Sharma.
5. Listerine lecture was organized by the Department on 12/7/15.
6. Oral-B lecture was organized by the Department on 12/7/15.
7. Listerine lecture was organized by the Department on 21/7/2016
8. Training of Teacher's programme by the department on 26/8/16 to 28/8/16 by Dr. Ramnarayan and Dr. Sudhakarnayak.
9. Listerine lecture was organized by the Department on 12/7/15, 21/7/2016 & 20/9/17.
10. Oral-B lecture was organized by the Department on 12/7/15 & 01/8/17 as part of ORAL HYGIENE DAY celebration.
11. Oral-B lecture was organized by the Department on 01/8/18 as part of ORAL HYGIENE DAY celebration.
12. Oral-B lecture was organized by the Department on 01/8/19 as part of ORAL HYGIENE DAY celebration

## DEPARTMENT RESEARCH WORK

### 2019-2022

1. **Dr Priyanka Kumari**- Clinico-radiographic Evaluation Of Hard And Soft Tissue Changes In Open Flap Technique Versus Flapless Technique For Implant Placement
2. **Dr Ayush Khatri**- Evaluation of periodontal and microbiological parameters in children and adolescents with cleft lip and palate: a cross sectional study
3. **Dr Ramya Krishna**- Additive Use Of Mucograft Or PRF Membrane With Coronally Advanced Flap In Treatment Of Gingival Recession: A Comparative Clinical Study
4. **Dr Archi Kumari**- Comparative evaluation of Grade II furcation defects treated with bone graft alone or i-PRF enriched bone graft matrix: A clinico-radiographic study
5. **Dr Aneesha Gupta**- Comparison of injectable forms of hyaluronic acid and platelet rich fibrin in the treatment of interdental papillary loss

## 2018-2021

1. **Dr Syed Faidan Nazir Bukhari**-Evaluation of the effect of intrasulcular topical anaesthetic agents on pain and discomfort during scaling and root planning in patients with periodontal disease.
2. **Dr Chittrani Rajkhowa**-Comparison of the clinical efficacy of multipurpose toothbrushes with a combination of regular toothbrush and oral hygiene aids.
3. **Dr Bharat Sachdeva**-Evaluation of efficacy of injectable platelet rich fibrin on hard and soft tissue changes around implants:A Clinico-radiographic study
4. **Dr Pratiksha Tripathi**-Comparative evaluation of two different platelet concentrates used with allograft in the treatment of Grade II Furcation defects-A Clinicoradiographic Study.

## 2017-2020

1. **Dr. Ritika** – Clinical evaluation of efficacy of Light cured periodontal dressing (BARRICAID) and Platelet Rich Fibrin membrane as a periodontal dressing in LASER assisted gingival depigmentation.
2. **Dr. Raees** – Clinical evaluation of Diode LASER assisted non-surgical therapy versus surgical therapy (Open Flap Debridement) in the treatment of periodontal pocket.
3. **Dr. Rana Afreen** – Relationship of periodontal status with ABO blood group phenotypes.
4. **Dr. Popinder Singh** – Relationship of periodontal status with various finger print patterns (DERMATOGLYPHICS).
5. **Dr Sachin Khurana** – Comparative evaluation of various hard and soft tissue changes at different time intervals around implants restored using abutments of different diameter.

## 2016-2019

1. **Dr. Sourabh** - Evaluation of the correlation between interleukin 1 $\beta$  levels in peri-implant crevicular fluid (PICF) as an adjunctive diagnostic marker with clinical and radiographic parameters for assessing the peri-implant health status
2. **Dr. Sumit**-Correlation between periodontal disease and carotid artery thickness: A clinico,biochemical and ultrasonography study

## 2015-2018

1. **Dr. Rohi** - Non-invasive assessment of relationship of various factors associated with the presence or absence of maxillary interdental papilla amongst males and females of various age groups

2. **Dr. Subhash**-Comparison between macrosurgical(conventional) and microsurgical approach for the treatment of localized gingival recession using coronally advanced flap with bioresorbable GTR membrane
3. **Dr. Nisha** - Comparative evaluation of modified envelope flap technique (Zucchelli and de Sanctis technique) and vestibular incision subperiosteal tunnel access (VISTA) in the treatment of multiple gingival recession defects- A clinical study

#### **2014 - 2017**

1. **Dr. Ankit** - Comparative Evaluation Use of DFDBA Alone, DFDBA with Amniotic Membrane in the Treatment of Human Periodontal Intrabony Defect: A Clinico Radiographic Study.
2. **Dr. Arun** - Clinical and radiographic evaluation of human grade ii furcation defects treated with autologous platelet rich fibrin chips (PRF) with or without platelet poor plasma.
3. **Dr. Rashmi** - Comparative evaluation of Grade II furcation defects treated with either bioactive glass or platelet rich fibrin – a clinico radiographic study.

#### **2013 – 2016**

1. **Dr. Rehan** - Comparative evaluation of coronally advanced flap with bioresorbable membrane or platelet rich fibrin (PRF) membrane in the treatment of localised gingival recession. A clinical study.
2. **Dr. Varsha** - Comparative evaluation of the efficacy of a commercially available collagen dressing (collacote) with autologous platelet rich fibrin (PRF) membrane on the wound healing on palatal donor site of free gingival graft.
3. **Dr. Kiran** - Comparative evaluation of the efficacy of three mouthwashes as a supplement to regular tooth brushing on plaque accumulation and gingival inflammation in chronic generalized gingivitis patients.

#### **2010 – 2013**

1. **Dr. Sameer** - A (in vivo) comparison of beta tricalcium phosphate plus hydroxyapatite bone graft with open flap debridement in the treatment of periodontal intrabony defects (a clinico radiographic study).
2. **Dr. Gauri** - A comparative evaluation of porous hydroxyapatite bone graft with or without platelet rich plasma (PRP) in the treatment of periodontal intrabony osseous defect: a clinico radiographic study.
3. **Dr. Sunny** - Comparative clinical evaluation of coronally advanced flap with and without gtr membrane in the treatment of localised gingival recession.

## 2009 – 2012

1. **Dr. Tanya** - Clinical and radiographic evaluation of the use of bovine derived xenograft (ostofom) in combination with/without bioresorbable membrane (biomesh) in the treatment of human class ii furcation defects.
2. **Dr. Chandana** - Comparison of the clinical efficacy of manual and sonic toothbrush.
3. **Dr. Puneet** - Clinical assessment of oral malodor by volatile sulfid compounds monitor.

## OTHER STUDIES

1. Comparison of lingual width of attached gingiva in different age groups and in different areas of the oral cavity in the year 2019.
2. To evaluate and compare pocket depth measurement by using conventional Williams probe and TPS probe in Ramjford teeth
3. Comparative evaluation of two different probing systems for assessment of bleeding on probing
4. Laser Vs Local Drug Delivery: Better aid for non surgical therapy
5. Assessment of the anxiety level and pain perception during perimenstrual and post menstrual phase associated with periodontal therapy
6. Clinical evaluation of Diode laser assisted therapy versus open flap debridement in treatment of periodontal pocket.
7. Evaluation of effectiveness of topical anaesthetic agent on pain and discomfort during scaling in patients with gingivitis, 2019.
8. Evaluation of random blood sugar and glycosylated haemoglobin levels in non diabetic periodontally healthy and diseased patients 2019
9. Efficacy of SRP alone, SRP with tetracycline fibers and SRP with Diode Laser in patients with periodontitis 2019.
10. Comparison of clinical applicability of two classification systems of gingival recession in the year 2014.
11. Clinical and histological evaluation of wound healing with or without prf membrane as periodontal dressing after depigmentation in the year 2014.
12. Comparative evaluation of platelet rich fibrin, subepithelial connective tissue graft and free gingival graft to augment width of attached gingiva in the year 2014.
13. Effect of platelet rich fibrin on palatal wound healing after subepithelial connective tissue graft harvesting: a clinical and histologic evaluation in the year 2014.
14. Clinical evaluation of recession coverage and gingival biotype thickness with coronally advanced flap or in combination with either amniotic membrane or chorion membrane in the year 2014.

15. Platelet rich fibrin (PRF) reinforced vestibular incision subperiosteal tunnel access (vista) technique for recession coverage in the year 2013.
16. A new classification system for gingival and palatal recession in the year 2013.
17. Use of platelet rich fibrin(PRF) membrane as palatal bandage in the year 2011.

## POST GRADUATE PRESENTATIONS

### 2019

1. **Dr Raees Salmani** Efficacy of SRP alone, SRP with tetracycline fibers and SRP with Diode Laser in patients with periodontitis at Jaipur on 19-21 April 2019
2. **Dr. Ritika Narang-** Comparison of lingual width of attached gingiva in different age groups and in different areas of the oral cavity poster presentation at PG convention held at Jaipur 19<sup>th</sup> -21<sup>st</sup> April 2019
3. **Dr Rana** Assessment of the anxiety level and pain perception during perimenstrual and post menstrual phase associated with periodontal therapy at Jaipur on 19-21<sup>st</sup> April 2019.
4. **Dr Syed Faidan** poster on Evaluation of effectiveness of topical anaesthetic agent on pain and discomfort during scaling in patients with gingivitis at banglore on 8-10<sup>th</sup> Nov 2019
5. **Dr Syed Faidan** Evaluation of random blood sugar and glycosylated haemoglobin levels in non diabetic periodontally healthy and diseased patients at Jaipur on 19-21<sup>st</sup> April 2019
6. **Dr Bharat** Laser Vs Local Drug Delivery: Better aid for non surgical therapy at Jaipur on 19-21 April 2019
7. **Dr Pratiksha** Comparative evaluation of two different probing systems for assessment of bleeding on probing at Jaipur on 19-21<sup>st</sup> April 2019
8. **Dr Chitrani** Poster To evaluate and compare pocket depth measurement by using conventional Williams probe and TPS probe in Ramjford teeth at Jaipur on 19-21<sup>st</sup> April 2019
9. **Dr Bharat** Poster-Root coverage esthetic score of two different technique for treating multiple gingival recession at Bangalore on 8-10<sup>th</sup> Nov 2019
10. **Dr Pratiksha and Dr Chitrani** Poster on Assessment of musculoskeletal disorders and noise effect on health of dental professionals at Bangalore on 8-10<sup>th</sup> Nov 2019
11. **Dr Priyanka-**Poster Stem cell therapy in periodontal regeneration-A rising tide at Bangalore on 8-10<sup>th</sup> Nov 2019
12. **Dr Ayush-** Poster 100 years of relationship of periodontitis and systemic disease:Causal or casual at Bangalore on 8-10<sup>th</sup> Nov 2019
13. **Dr Ramya-** Poster Classifications of gingival recession at Bangalore on 8-10<sup>th</sup> Nov 2019
14. **Dr Archi-** Poster Artificial intelligence in periodontics-When Human becomes digital at banglore on 8-10<sup>th</sup> Nov 2019
15. **Dr Aneesha-** Poster Advances in PRF : An evolution towards regeneration at Bangalore on 8-10<sup>th</sup> Nov 2019

## 2018

1. **Dr Raees Salmani and Dr Rana**-Poster presentation on co-relation of ABO Blood group with periodontal diseases:Logic and Link at Chennai on 16-17<sup>th</sup> March 2018.
2. **Dr Raees Salmani and Dr Rana**Clinical evaluation of Diode laser assisted therapy versus open flap debridement in treatment of periodontal pocket on 5-7<sup>th</sup> October 2018 at Chandigarh
3. **Dr Ritika**-Comparison of efficacy of two periodontal dressings(Barricaid and platelet rich fibrin) in LASER assisted gingival depigmentation:A case Report at Chennai on 16-17<sup>th</sup> March 2018.
4. **Dr Sachin and Dr Popinder**-Give a thought to periodontal disease mouth of your child at ISPPG convention at Chennai on 16-17<sup>th</sup> March 2018.
5. **Dr Ritika, Dr Sachin and Dr Popinder**-Immediate implant for aesthetic success5-7<sup>th</sup> October 2018 at Chandigarh
6. **Dr Bharat and Dr Syed Faidan**-Poster on emerging trends of herbal care in periodontics on 5-7<sup>th</sup> October 2018 at Chandigarh
7. **Dr Bharat,Dr Pratiksha,Dr Chittrani** -Poster putting the esthetic way on 5-7<sup>th</sup> October 2018 at Chandigarh

## 2017

1. **Dr.Ritika Narang & Dr.Popinder Singh** - poster presentation on"Role of botox in periodontics"at Kolkata ,24<sup>th</sup> to 26<sup>th</sup> november,2017.
2. **Dr. Raees Salmani, Dr. Rana Afreen, Dr.Sachin Khurana** - poster presentation on "Role of photodynamic therapy in aggressive periodontitis." at Kolkata ,24<sup>th</sup> to 26<sup>th</sup> november,2017.
3. **Dr. Saurabh Mehrotra & Dr. Sumit Kumar** - poster presentation on " Comparative evaluation of the efficacy of three mouthrinses as a supplement to regular toothbrushing on plaque accumulation and gingival inflammation in generalized chronic gingivitis ." at Kolkata ,24<sup>th</sup> to 26<sup>th</sup> november,2017.
4. **Dr. Subhash** – Evaluation of root coverage and alterations in locations of mucogingival junctions following a coronally advanced flap with or without GTR membrane in convention at Manali March 24th to 26th, 2017.
5. **Dr. Nisha** – Coronal positioning of receded gingiva comparison of two different techniques for treating multiple gingival recession defects: A case report convention at Manali March 24th to 26th, 2017.
6. **Dr. Rohi Rashid** – Clinical efficacy of two different tooth brushes in improving oral hygiene status convention at Manali March 24th to 26th, 2017.
7. **Dr. Saurabh** – Effect of glycemic control on implant stability – A case report convention at Manali March 24th to 26th, 2017.
8. **Dr. Sumit** – Helimeter and oral malodour assessment convention at Manali March 24th to 26th, 2017.

## 2016

1. **Dr. Sourabh** presented poster on topic "Clinical features of gingivitis" at 41<sup>st</sup> ISP National conference Nagpur on 21<sup>st</sup>oct-23<sup>rd</sup>Oct, 2016.

2. **Dr. Sumit** presented poster on topic “Lasers- a new era in periodontics” at 41<sup>st</sup> ISP National conference Nagpur on 21<sup>st</sup>oct-23<sup>rd</sup>Oct, 2016.
3. **Dr. Subhash** presented poster on topic “Perception and knowledge of medical practitioners towards periodontal- systemic link: A neglected commensal” at 41<sup>st</sup> ISP National conference Nagpur on 21<sup>st</sup>oct-23<sup>rd</sup>Oct, 2016.
4. **Dr. Nisha** presented poster on topic “Perception and knowledge of medical practitioners towards periodontal- systemic link: A neglected commensal” at 41<sup>st</sup> ISP National conference Nagpur on 21<sup>st</sup>oct-23<sup>rd</sup>Oct, 2016.
5. **Dr. Subhash** presented poster on topic “To power or not to power: manual toothbrush vs sonic tooth brush” ISP PG Convention Bhuvneshwar on 11<sup>th</sup> -13<sup>th</sup> March 2016
6. **Dr. Nisha** presented poster on topic “Reliability of gingival crevicular blood as a diagnostic tool for assessment of blood sugar levels in routine periodontal practice” ISP PG Convention Bhuvneshwar on 11<sup>th</sup> -13<sup>th</sup> March 2016

## 2015

7. **Dr. Subhash** presented poster on topic “Modulating the host to modulate the disease- the way ahead” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
8. **Dr. Nisha** presented poster on topic “Modulating the host to modulate the disease- the way ahead” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
9. **Dr. Rohi** presented poster on topic “Modulating the host to modulate the disease- the way ahead” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
10. **Dr. Ankit** presented poster on topic “Hope of the hopeless a multidisciplinary approach for the treatment of perio endo lesion: A report of two cases” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
11. **Dr. Arun** presented poster on topic “Hope of the hopeless a multidisciplinary approach for the treatment of perio endo lesion: A report of two cases” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
12. **Dr. Rashmi** presented poster on topic “Hope of the hopeless a multidisciplinary approach for the treatment of perio endo lesion: A report of two cases” at 40<sup>th</sup> ISP National conference Hyderabad on 30<sup>th</sup>oct-1<sup>st</sup>Nov, 2015.
13. **Dr. Rehan** presented paper on topic “Clinical evaluation of Coronally advanced flap in conjunction with amnion membrane in treatment of localized marginal recession” at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.
14. **Dr. Kirandeep** presented poster on topic “Clinical evaluation of coronally advanced flap (CAF) in conjugation with platelet rich fibrin membrane in treatment of localized gingival recession” at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.
15. **Dr. Varsha** presented poster on topic “Inadequacy to adequacy FGG is the cure” at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.

16. **Dr. Ankit** presented poster on topic "Evaluation of the thickness of maxillary and mandibular facial anterior gingival" at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.
17. **Dr. Arun** presented poster on topic "Evaluation of alteration in location of MGJ following coronally advance flap with or without GTR membrane" at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.
18. **Dr. Rashmi** presented poster on topic "Association between embrasure morphology and papillary recession: A Clinico Radiographic study" at 14<sup>th</sup> ISP PG Convention Mumbai on 13<sup>th</sup> -15<sup>th</sup> March 2015.

## 2014

19. **Dr. Arun** presented poster on topic "Role of Green tea in periodontics" at FDI Greater Noida on 14<sup>th</sup> Sep, 2014.
20. **Dr. Ankit** presented poster on topic "Role of triphala in periodontics" at FDI Greater Noida on 14<sup>th</sup> Sep, 2014.
21. **Dr. Kirandeep** presented poster on topic "Effect of smoking on periodontium" at FDI Greater Noida on 14<sup>th</sup> Sep, 2014.
22. **Dr. Rehan** presented poster on topic "Stem Cells in periodontal therapy" at FDI Greater Noida on 14<sup>th</sup> Sep, 2014
23. **Dr. Varsha** presented poster on topic "Platelet concentrates" at FDI Greater Noida on 14<sup>th</sup> Sep, 2014.
24. **Dr. Kirandeep** presented poster on topic "Implant and its complication" at 39<sup>th</sup> ISP National conference Jaipur on 10<sup>th</sup>-12<sup>th</sup> Oct 2014.
25. **Dr. Varsha** presented poster on topic "Effects of plasma glucose level on Osseo integration: A Case report" at 39<sup>th</sup> ISP National conference Jaipur on 10<sup>th</sup>-12<sup>th</sup> Oct 2014.
26. **Dr. Rehan** presented poster on topic "Ailing Failing and Failed Implants" at 39<sup>th</sup> ISP National conference Jaipur on 10<sup>th</sup>-12<sup>th</sup> Oct 2014.
27. **Dr. Ankit** presented poster on topic "Herboceutics a new direction in periodontics" at 39<sup>th</sup> ISP National conference Jaipur on 10<sup>th</sup>-12<sup>th</sup> Oct 2014.
28. **Dr. Arun** presented poster on topic "Herboceutics a new direction in periodontics" at 39<sup>th</sup> ISP National conference Jaipur on 10<sup>th</sup>-12<sup>th</sup> Oct 2014.
29. **Dr. Kirandeep** presented paper on topic "Comparision of two techniques of gingival depigmentation" at 13<sup>th</sup> ISP PG convention Manglore on 7<sup>th</sup>-9<sup>th</sup> March 2014.
30. **Dr. Varsha** presented paper on topic "Evaluation of clinical outcomes of root resection of vital and non- Vital teeth" at 13<sup>th</sup> ISP PG convention Manglore on 7<sup>th</sup>-9<sup>th</sup> March 2014

31. **Dr. Amir** presented paper on topic "Restoring Aesthetics and function by Crown Lengthening" at 13<sup>th</sup> ISP PG convention Manglore on 7<sup>th</sup>-9<sup>th</sup> March 2014
32. **Dr. Sumeet** presented paper on topic "Prevalance of musculoskeletal Pain Among Students and Faculty of IDST Dental College: A Cross Sectional Survey" at 13<sup>th</sup> ISP PG convention Manglore on 7<sup>th</sup>-9<sup>th</sup> March 2014.

## 2013

33. **Dr. Kirandeep** presented poster on topic "Role of nutrition in periodontal disease" at 38<sup>th</sup> National conference of Indian society of periodontology Cochin on 25<sup>th</sup>-30<sup>th</sup> oct 2013.
34. **Dr. Amir** presented poster on topic "Periodontal Manifestation in HIV Infected Patients" at 38<sup>th</sup> National conference of Indian society of periodontology Cochin on 25<sup>th</sup>-30<sup>th</sup> oct 2013.
35. **Dr. Sumeet** presented poster on topic "Ozone the new kid on the Block" at 38<sup>th</sup> National conference of Indian society of periodontology Cochin on 25<sup>th</sup>-30<sup>th</sup> oct 2013.
36. **Dr. Sumeet** presented paper on topic "Dentinal hypersensitivity" at 12<sup>th</sup> ISP PG convention Greater Noida on 1<sup>st</sup> March- 3<sup>rd</sup> March 2013.
37. **Dr. Amir** presented paper on topic "Periodontal Vaccine: Myth or reality" at 12<sup>th</sup> ISP PG convention Greater Noida on 1<sup>st</sup> March- 3<sup>rd</sup> March 2013.

## 2012

38. **Dr. Amir** presented poster on topic "Air Flow Goes Subgingival" at 37<sup>th</sup> National conference of Indian society of periodontology Shimla on 12<sup>th</sup> oct-14<sup>th</sup> oct 2012.
39. **Dr. Sumeet** presented poster on topic "Propolis: A nature's Way of Healing" at 37<sup>th</sup> National conference of Indian society of periodontology Shimla on 12<sup>th</sup> oct-14<sup>th</sup> oct 2012.
40. **Dr. Sunny** presented paper on topic "Gingival recession treatment using resorbable collagen membrane" at 11<sup>th</sup> ISP PG convention Lucknow on 6<sup>th</sup> Apr- 8<sup>th</sup> Apr 2012.
41. **Dr. Gauri** presented paper on topic "Palatogingival groove- the hidden predator" at 11<sup>th</sup> ISP PG convention Lucknow on 6<sup>th</sup> Apr- 8<sup>th</sup> Apr 2012.
42. **Dr. Sameer** presented paper on topic "Restoring esthetics by clinical crown lengthening" at 11<sup>th</sup> ISP PG convention Lucknow on 6<sup>th</sup> Apr- 8<sup>th</sup> Apr 2012.
43. **Dr. Meenu** presented poster on topic "Propolis: mouth wash a natural goodness" at 11<sup>th</sup> ISP PG convention Lucknow on 6<sup>th</sup> Apr- 8<sup>th</sup> Apr 2012.
44. **Dr. Amandeep** presented poster on topic "Ridge Augmentation" at 11<sup>th</sup> ISP PG convention Lucknow on 6<sup>th</sup> Apr- 8<sup>th</sup> Apr 2012.

## 2011

45. **Dr. Sunny** presented poster on topic “No cut no sew no fear: Nonsurgical periodontal therapy” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
46. **Dr. Gauri** presented poster on topic “Nanotechnology: A paradigm shift from fiction to reality” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
47. **Dr. Sameer** presented poster on topic “Host response a new era in periodontal treatment” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
48. **Dr. Meenu** presented poster on topic “Tissue engineering” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
49. **Dr. Amandeep** presented poster on topic “Comparison of three generation of periodontal probes” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
50. **Dr. Praveen** presented poster on topic “Factor in tooth maintenance and implant therapy” at 36<sup>th</sup> National conference of Indian society of periodontology Ahmedabad on 14<sup>th</sup> oct-16<sup>th</sup> oct 2011.
51. **Dr. Tanya** presented poster on topic “Periodontics- A Blessing In Disguise” at CDE By IDA, Meerut on 30/04/11.
52. **Dr. Puneet** presented poster on topic “Measurement of oral malodor” at CDE by IDA, MEERUT on 30/04/11.
53. **Dr. Gauri** presented poster on topic “Smoking- A termite on the periodontium” at CDE by IDA, MEERUT on 30/04/11.
54. **Dr. Sameer** presented poster on topic “Diagnostic imaging modalities in Implantology” at CDE by IDA, MEERUT on 30/04/11.

## 2010

55. **Dr. Puneet** presented poster on topic “Measurement method of halitosis” in 35<sup>th</sup> National conference of Indian society of periodontology Bengaluru on 27/10/10.
56. **Dr. Sunny** presented poster on topic “Gingival Augmentation Coronal to gingival recession: Different techniques” in 35<sup>th</sup> National conference of Indian society of periodontology Bengaluru on 27/10/10.
57. **Dr. Gauri** presented poster on topic “In the world of infection our new friend: Probiotics” in 35<sup>th</sup> National conference of Indian society of periodontology Bengaluru on 27/10/10.

58. **Dr. Sameer** presented poster on topic “In the world of infection our new friend: Probiotics” in 35<sup>th</sup> National conference of Indian society of periodontology Bengaluru on 27/10/10.
59. **Dr. Tany** presented poster on topic “Pre-Term Low Birth Weight (PTLBW) Babies And Periodontal Disease: A Mouth Body Connection” in 35<sup>th</sup> National conference of Indian society of periodontology Bengaluru on 27/10/10.

## **2009**

60. **Dr. Vimal** presented poster on topic “Stem cells regeneration on periodontics” in 8<sup>th</sup> Indian society of periodontology post graduate work shop Agra on 16/04/09.
61. **Dr. Vimal** presented paper on topic “Subepithelial connective tissue graft” in 8<sup>th</sup> Indian society of periodontology post graduate work shop Agra on 16/04/09.
62. **Dr. Shruti** presented poster on topic “Photodynamic therapy a ray of light as a ray of hope” in 8<sup>th</sup> Indian society of periodontology post graduate work shop Agra on 16/04/09.
63. **Dr. Shruti** presented paper on topic “Dentinal hypersensitivity” in 8<sup>th</sup> Indian society of periodontology post graduate work shop Agra on 16/04/09.
64. **Dr. Vimal** presented paper on topic “Classification of periodontal disease” in 48<sup>th</sup> National conference of Indian society of periodontology Ludhiana on 11/01/09.
65. **Dr. Shruti** presented paper on topic “Comparison of depigmentation of gingiva by electrocautery and surgical scraping- A case report” in 48<sup>th</sup> National conference of Indian society of periodontology Ludhiana on 11/01/09.

## **2008**

66. **Dr. Vimal** presented poster on topic “Classification of periodontal disease” in 33<sup>rd</sup> National conference of Indian society of periodontology Chandigarh on 17/11/08.
67. **Dr. Shruti** presented poster on topic “ Comparison of depigmentation of gingiva by electrocautery and surgical scraping- A case report” in 33<sup>rd</sup> National conference of Indian society of periodontology Chandigarh on 17/11/08.

## **POST GRADUATE AWARDS & ACHIEVEMENTS**

1. Consolation Prize Awarded To **Dr Ritika Narang** In Paper Presentation At ISP PG Convention At Chennai 2018.
2. Consolation Prize Awarded To **Dr Nisha Parveen** In Paper Presentation At ISP PG Convention Hosted By Himachal Dental College At Manali In 2017.
3. Second Prize To **Dr. Meenu Dangi** In PG Convention Hosted By I.T.S, Greater Noida In 2013.

4. Consolation Prize To **Dr. Sameer Saxena** In PG Convention Hosted By Sardar Patel Dental College, Lucknow In 2012.
5. Second Prize To **Dr. Tanya** On Periodontics: A Blessing In Disguise' At Grip- Getting Research Into Practice Organized By Indian Dental Association, Meerut In 2011.

#### **UNDER GRADUATE AWARDS & ACHIEVEMENTS**

1. Award to **Charu Sachdeva** by Indian society of periodontology for topping in the subject of periodontology in final year in 2018
2. **Akamdeep kaur** was awarded the first prize in ISP UG National Essay Competition 2018
3. **Yashika Dixit** was awarded the first prize in ISP UG National Essay Competition 2017.
4. **Akansha Tomar** and **Tejashree Avachat** was awarded third prize in ISP UG National Essay Competition 2017
5. Award to **Aditi Sinha** by Indian society of periodontology for topping in the subject of periodontology in final year in 2013
6. Award to **Aditi Chopra** by Indian society of periodontology for topping in the subject of periodontology in final year in 2014
